 1x quick installation guide

## USB Type-C™ Notebook DockingStation

The IB-DK4035-C is the newest member of our USB Type-C™ portfolio and combines elegance with function. Developed for the extra connectivity demands of a notebook, it extends the USB Type-C™ connection of a computer to USB Type-A peripherals, SD 3.0 and microSD 3.0 cards and Type-C™ Power Delivery (PD) function via only one USB Type-C™ interface.

### Technical data

<b>Model</b>	IB-DK4035-C
<b>Article no.</b>	60375
<b>EAN</b>	4250078166962
<b>Brand</b>	ICY BOX
<b>Colour</b>	Silver
<b>Material</b>	Aluminium
<b>Chipset</b>	VL100, VL813, AU84612-MCF
<b>Input interface</b>	USB Type-C™
<b>Output interface</b>	2x Type-A USB 3.0 1x Type-C™ (only PD) 1+1 SD/microSD 3.0 (UHS-I)

# ICY BOX IB-DK4035-C USB Type-C™ Notebook DockingStation

## No more slots?

If you want to use your existing USB devices and memory cards on the latest notebooks with a USB Type-C™ port this compact docking solution is a quick helper. It uses a single USB Type-C™ port and creates additional ports. Problem solved!

## A bit of everything

With one USB Type-C™ host interface, the door is opened for five additional ports, 2x cardreader, USB 3.0 Type-A are opened and in addition, the host computer can be charged when the appropriate power supply is connected.

## Hidden beauty

A sleek minimalist design with an aluminum finish perfectly complements the most USB Type-C™ notebooks. Due to the low height, the IB-DK4035-C is very handy as well as flexible for many situations. Easily slip into the included leatherette pouch and effortlessly go anywhere!
